Extremely private Colorado mountain estate with outstanding custom design. Entry opens to grand great room with rear wall of windows and framed views of Pikes Peak. No expense has been spared on the woodwork, doors, beams, floors and hand troweled walls. Home sits with true North/South coordinates for ideal sun/shade exposure year round. The gourmet kitchen has a large counter with an eat on bar, Wolfe appliances and double ovens. Master suite with spa bath opens to deck with hot tub. Secondary guest bedroom with ensuite bath on the main level. A warm and charming office/library with gorgeous window and setting. Family room downstairs has a wood burning fireplace and walks out to the covered patio. A wine cellar and 2 additional bedrooms are also found downstairs and shows the thought and excellent design that went into the impressive home. Its hard to describe all the features in the limited space. Mature forest of Ponderosa Pine, Douglas Fir and Blue Spruce where deer and elk are ...
