Irresistible historic charmer located in South Middleton Township! You'll immediately feel a sense of belonging when entering this 2,784 square foot brick 2-story farmhouse. Nine foot ceilings, original moldings, and exposed brick walls give an ambiance reminiscent of a bygone era even though the home has been tastefully updated. Well-appointed kitchen includes Amish-made cabinetry, granite-topped island, and stainless appliances. The formal dining room boasts deep-well windows, plantation shutters, and original hardwood floors as does the spacious living room with propane fireplace. Cheerful sun room, laundry/mud room, and full bath complete the first level. Upstairs are four over-size bedrooms and a second full bath. Walk-up stairs access the attic. Finished basement provides additional living space and features an awesome exposed stone wall; also unfinished storage area. Oil furnace and coal stove are heat sources and the home is equipped with central air for cool summers. Numero...
