All the pleasure of newer construction, but none of the pain! Move right in to this 4 yr old spacious colonial with tons of curb appeal in one of Altamont's newest & most desirable neighborhoods at Mat Farms. This bright & open newer home has a generous floor plan & great flow with the kitchen/family room at the hub of the 1st floor. Daylight floods the rooms through oversized windows. Gracious 2 story entrance foyer to wow your guests. You'll enjoy the cooking as much as the eating in this expanded chef's kitchen w/wall oven, gas range & oversized island. Laundry is a breeze w/convenient 1st fl laundry/mud room. Huge master suite w/large walk in closet hidden away in master bath. Great location across from Guilderland HS and just minutes to I87 & I90 and all the shopping on Western Ave.
