Completely Updated One-Level Rancher! Terrific 3 bedroom, 3 bath home featuring one-level living, 3-car garage, plantation shutters, 9 foot ceilings and great outdoor spaces. The living room / dining room combination features hardwood floors, natural light and mountain views. The beautiful kitchen offers granite countertops, island, custom cabinetry, double oven, gas cooktop, breakfast area, pantry and walkout. Both the kitchen and adjacent family room feature hardwood floors. The master suite includes a 5-piece bath, walk-in closet and walkout. The second bedroom includes an adjoining bath and the third bedroom would make a perfect office with built-ins and private full bath. The outdoor spaces feature mountain views from the front and a stucco privacy enclosure with new stone patio offering a perfect retreat.
