Sugar Creek, where you will find tree lined streets, multiple community pools, tennis courts and clubhouses, ponds, sidewalks, award winning schools, an abundance of social events, and so much more! Welcome to 223 E. Shallowstone Road. Step inside and you will immediately notice the immaculate care with which this 4 bedroom, 2.5 bath home, that includes a rec room and sunroom, has been maintained. Beautiful hardwood floors adorn much of the entire home with tile in the baths. Nice neutral colors and updates are evident throughout the home. The kitchen features stainless appliances (including refrigerator), granite counter tops, recessed lighting, and eat-in breakfast area that opens to the fabulous sunroom overlooking a manicured fenced back yard and large deck for outdoor entertaining. There are two sets of stairs, one to the large rec room that also connects to the main bedroom areas. The living areas are generously sized and include a formal living room (office appropriate with d...
