Nearly new 3 bedroom 3 full baths plus 2 1/2 baths and a true 3 car garage! This is the beautiful Wheaton spacious floor plan with almost 2600 sq ft.² which hardly ever becomes available. It is an open concept with huge kitchen, dining area and living room. There is all wood look plank flooring throughout no carpeting anywhere. There are two guest bedrooms with large closets and each with their own bathrooms (one being an en suite) There is also a 1/2 bath for guests Located off the huge foyer. There is a large flex room suitable as an office, additional bedroom or den with beautiful French doors. The kitchen is the heart of the home with a huge island that fits 4 chairs/ stools with quartz counters and a huge walk-in pantry Quartz counters can be found throughout the home in all baths and laundry room. This house has it all with attention to detail everywhere. The large living and dining area has so much natural light with beautiful aquarium windows, and sliding glass doors The exp...
