\$6,300,000 | 4 BEDS | 2 BATHROOMS | 1 HALF BATHROOMS | 2768 SQUARE FEET

View Online: <http://www.pfretour.com/45570>

Highly desirable Lennar SOLAR home in gated Blackstone community. This exquisite home boasts 4 bedrooms plus a downstairs office; a cook's dream kitchen – 5 burner gas range, double ovens, large island, & granite slab counters. Open concept family room w/ custom built in entertainment center and double-sided gas log fireplace. Private master bedroom and ensuite with large walk in closet. Upstairs laundry room. Spacious home with natural light & high ceilings. Low maintenance landscaping in back with several kinds of fruit trees. Owned solar = low electric bills. Private clubhouse with pool and fitness facilities within walking distance.
