Who brought the fixins for Smores? Your friends & family will love hanging out with you around the firepit in this spacious backyard! This Updated Move In Ready house will impress all who walk thru it. The beautiful new Kitchen boasts soft close doors/drawers, gas stove with double oven, granite sink, granite counters, large island with seating for up to 5, BUT... the statement piece is the stainless steel basket weave tile backsplash. To add to all the updating the Owners have put on a new roof (2020), replaced electrical wiring, painted inside and out, new laminate flooring throughout, new bathroom vanities, and have enclosed the entire property with a fence, just to name a few of the updated property features.
