South Tampa secluded waterfront home on rare 0.75 Acre lot with 330+ feet on Dundee Canal linked to Tampa Bay. This home's ideal location provides a very private estate setting uncommon to other urban homes. A stunning double door entry invites you to light-filled living spaces with soaring ceilings, architectural beams, hardwood floors, tower room, plus a large office with separate entrance. A large kitchen features custom cabinetry, top-of-the-line appliances (Wolf/Thermador/Fisher-Paykel) large island/breakfast bar and Butler's pantry with wine refrigeration. A first floor master suite boasts soaring ceilings, sitting area and two master bathrooms and closets, enjoying its own serene sitting area with water views of dolphins, manatees, hawks and pelicans, and private decks. The first floor guest suite includes 2 bedrooms, 1 bath, living room and kitchen. The 2nd floor features 2 bedrooms, 2 full bathrooms with 2 walk-in closets, a play room and a project/storage room. A 220 sf s...
