Steps to the ocean beach and the Intracoastal. Take your pick...enjoy a day at the beach... or dock your boat at the community's day dock while lounging by the Intracoastal... or take a dip in the community pool. There is also a very private tropical patio in the back to relax and unwind with friends. This open concept townhouse is upgraded with quartz kitchen countertops, a tile backsplash, custom kitchen cabinetry and LED high hat lighting throughout. There is built-in cabinetry in the living room and new windows everywhere with accordion shutters. The seller is even offering a one-year transferable warranty.
