Fall in love with the romanesque stone turret of this exquisite two-story home in the picturesque community of Brea's Olinda Ranch. Featuring 4 bedrooms and 2 1/2 baths, a beautiful bay window greets you as you travel the flagstone path to the gated courtyard. Entering through the stone-face turret, 10ft ceilings grant welcome to the formal living and adjacent dining rooms showcasing plantain shutters and pristine porcelain tile floors. As you continue through to the open concept kitchen and adjoining family room, you'll enjoy granite countertops and kitchen island with seating and extra storage space. A built-in entertainment unit, complete with speakers and lighting, sit adjacent to the fireplace, creating a comfy space perfect for the family room. Dual-pane windows & sliding glass door overlook the backyard & its spectacular canyon/city views allowing for tons of natural light. Downstairs 1/2 bath, separate laundry room, and adjoining 3-car tandem garage complete the first floor ...
