This beautiful home features the SAN BENITO floor plan...the most popular among Del Webb buyers as it's an ideal size, offers the open GREAT ROOM concept and features a BONUS ROOM off the Den/Office for more flex space. Use that flex area as a 3rd bedroom, a 2nd Office or open up the wall between the Den and Bonus Room to make one large MEDIA ROOM. The SOUTH-facing backyard has ideal winter sun exposure and features an extended patio, cozy FIREPIT and a beautiful WATER FEATURE that was designed by utilizing the raised planter to create a meandering rock river bed that flows into a cascading waterfall. **\*\*BONUS:** Seller is offering a \$5,000 credit through escrow and upon closing for buyer to use for upgrades/improvements. We encourage you to visit and make an offer! Some furniture items are available to purchase outside of escrow so please inquire. Live where you love...Del Webb's Sun City Shadow Hills is for residents 55 years and better and offers hundreds of clubs and activities!
