Wonderful family home in the quite and convenient location of Quest Village! Updated white kitchen cabinets and cozy breakfast nook are perfect for entertaining. Soaring ceilings in the living room lead out to the oasis backyard, which offers an in ground pool and low maintenance yard. Master on the main level, and two additional bedrooms upstairs, PLUS a flex space perfect for the kiddos or office space. 609 Turnbow is located in the fabulous Leander ISD, close to all major shopping and eats, and just a few blocks away from the 183 toll. This won't last long!
