Custom-built, one-owner home in desirable Edgar. This home offers 3348 square feet of quality construction and attention to detail. This two-story has contemporary amenities, yet allows for a comfortable farmhouse feel. The covered front porch welcomes you into a large foyer and the beginning of beautiful, newly refinished hard wood flooring. The great room features 17 foot ceiling, towering windows to the huge maintenance-free deck and retractable awning. Custom-built cabinetry, two-tiered island and new Stainless steel appliances share the room with a large dining area and entertainment space with built-in entertainment center, gas fireplace and sound system area. Also on the main level you will find a large Master Suite with tray ceiling, two closets with custom organizers and bath with dual vanity, tiled walk-in shower, and whirlpool tub. There is an additional room that is currently used as an office that could also be converted to a formal dining area. There is a main floor lau...
