This beautiful home is situated on one of the best homesites in the community. To the rear, you have a beautiful pond where you will see various birds and fish. Across the street from the front of the home is a peaceful conservation area. In addition to the great floorplan, there is lots of tile, granite and crown molding. Finally, the master closet boasts a closet shelving system that allows for plenty of hanging space and shelves for shoes and whatever else you might want to store. The community, Bexley by Newland Homes, offers many first class amenities including a fitness center, 12 miles of biking/walking trails, dog park, childrens playgrounds, soccer field, swimming pool area and more.
