View Online: <http://www.pfretour.com/86492>

Picture Perfect Views on the Golf Course! This beautiful golf course home offers 4 bedrooms, 2 offices, 4 baths, 4-car heated garage and amazing views of Pikes Peak. The open floor plan of the main level includes a great room with fireplace and walkout, separate dining room, gourmet kitchen with island and granite countertops, master suite and office. The spacious master suite features fireplace, walkout, sitting area, private 5-piece bath and walk-in closet. The walkout lower level offers three more bedrooms, second office with built-ins or fifth bedroom, expansive wet bar with counter seating and theater room. The outdoor entertaining options include the covered stone patio off the main level with spectacular views which is accessible from the great room, kitchen and master suite. The lower level patio is also covered and features more incredible views of the golf course and Pikes Peak.
