This charming 1930's Tudor home is located in the highly desirable New Suburb Beautiful neighborhood and is a perfect example of why homes in this area are so popular. The main house features 3 bedrooms and 2 full baths, while the guest/in-law house is a 300 sq ft. 1/1 space that can be used in many different ways. With 10.5 feet ceilings, the rooms feel expansive and open. The bathrooms have been updated, and the master bath has a steam shower with dual shower heads. The kitchen boasts a fabulous AGA cast-iron range, granite countertops and a breakfast bar. Natural light floods in from all directions, highlighting the hardwood floors, wainscoting, moulding and other period details. This house is darling both inside and out.
