One-of-a-Kind Golf Course Residence! This unique home features beamed ceilings, columns, arched doorways, custom faux painting and magnificent Pikes Peak views. The great room with its high ceilings, fireplace and walkout present a formal yet relaxing atmosphere. In addition, the formal dining room compliments the great room with the same rich décor. The gourmet kitchen, hearth room and breakfast nook offer a more casual experience with fireplace, breakfast nook and counter bar plus walkout to a deck with more sensational golf course and mountain views. The master suite offers a beautiful master bedroom with walkout, adjoining 5-piece bath, study or nursery all behind French doors. The walkout lower level includes a media room, sitting area, exercise room and two guest suites with adjoining baths and walkouts.
