Totally remodeled in 2020- Welcome to this beautiful Huntington Home thoughtfully rebuilt from top to bottom. Prepare to be impressed when you walk through the brand new front door to the completely open(24x26) floor plan, sun filled main level. The Main level featuring a gorgeous island kitchen with quartz counters and other high end finishes, open to the remainder of the great room with floor to ceiling wood burning fireplace. 3 generous sized bedrooms on the upper floor with a completely remodeled bathroom featuring a double sink and separate walk in shower and soaking tub. New central A/C, new construction Windows, 6 panel doors and extra wide molding throughout the home, New 3/4 inch hardwood flooring on the main and bedroom floors, 2 New concrete patios and a large wooden deck. Just a few steps below the kitchen is a 4th bedroom and an office/study with a walk out slider to a new concrete patio. Newly Finished Lower Level Playroom, new Laundry Room and walk out slider to an a...
