Gorgeous Golf Course Home with Custom Features Throughout! Beautiful 4 bedroom, 4 bath home with 3-car garage and the opportunity for main level living. The main level features the great room with fireplace and walkout, separate dining room with walnut floors, gourmet kitchen, laundry and two bedrooms. The gourmet kitchen includes Dacor, Wolf and Thermador high-end appliances, soft close cabinets, custom granite island with counter seating, pantry, breakfast area and walkout. The four bedrooms include the main level master suite with walk-in closet, fireplace and 5-piece bath, main level guest suite with walk-in closet, and two lower level bedrooms both with walk-in closets. Also on the lower level is the spacious family room with fireplace, large wet bar and golf simulation area with additional seating. The outdoor spaces feature a covered deck backing to the golf course with wonderful mountain and city views.
