Cedar Heights Ranch Style Home with the Opportunity for Main-Level Living! This wonderful home features 4 bedrooms, office, 5 baths, 3-car oversized garage and sweeping views. The main level includes the great room with tons of natural light, and fireplace, family room with gas fireplace and walkout to covered patio with Pikes Peak views, separate dining room, gourmet kitchen and two bedrooms. The gourmet kitchen features an abundance of cabinetry, island with quartz countertop, large pantry, breakfast area and built-ins. The spacious main level master offers magnificent views, sitting area, 5-piece bath and large walk-in closet. The lower level offers flexibility for multi-generational families with a second family room and dining area, wet bar with counter seating, office with built-ins and two additional bedrooms with adjoining baths. The outdoor entertaining options include the covered deck off the main level, partially covered stone patio and panoramic views of the Front Range ...
