View Online: <http://www.pfretour.com/94829>

Beautifully Updated 3 Bedroom, 3 Bath Golf Course Home! This updated home features an open floor plan which includes the great room with hickory floors, fireplace and walkout to patio with Garden of the Gods, Pikes Peak, golf course and Front Range views. Also on the main level is the dining room, updated kitchen two bedrooms and laundry. The beautiful kitchen features high-end Viking appliances, granite countertops, large island with counter seating, custom cabinetry, wood floors and breakfast area. The two main level bedrooms include a second master with private bath and a third bedroom perfect for an office with fireplace and views. The master located on the upper level features a private 5-piece bath, walk-in closet, fireplace and balcony with sweeping views. The unfinished basement features tons of storage space or the ability to expand. The outdoor spaces include the front courtyard, fenced yard and west facing patio with uninterrupted golf course and Pikes Peak views.
