Walk into this beautiful stone and stucco home through the tile entry. You will immediately see the living room with a massive floor to ceiling stone fireplace. As a focal point the ceiling was hand textured, Turn into a large dining and kitchen area with granite island, maple cabinets and large pantry. There is also a formal dining room off the living and a lovely covered porch with great views of the backyard and surrounding mountains. The main level also boasts a decadent master suite, along with a luxurious 5-piece bath with an oversized stone jetted tub and double-sized tiled shower, plus a spiral staircase that leads to a 12x15 outdoor observatory deck. Two additional bedrooms that share a Jack-n-Jill bath completes the main level. Moving to the walkout lower level, you are overwhelmed with a large entertainment room with a fireplace and wet bar/kitchenette area. Further amenities include a large exercise room, game room, 2 bedrooms, 2 baths and a second covered porch that wal...
