Don't miss out on this stunning single-family home, nestled in the desirable neighborhood of Green Gables Reserve. Completed in 2019, the beautiful 6-bedroom, 4-bathroom home boasts multiple upgrades from the builder. The upgrades include a main floor bedroom with a full bath and a flex-room that could be a 6th bedroom or office, wide planked hardwood flooring, gourmet gas kitchen with a French door refrigerator, quartz countertops and much more. Enter into a large entry-way that opens up to a living space that includes the great room, dining room and kitchen. Enjoy the deck off the kitchen and dining room that looks out to a natural open space and mountain views. The fireplace is a natural centerpiece for the great room, providing warmth and comfort during the winter months in Colorado. As you head up to the second floor there is a large open loft that looks down to the main living area. The large master bedroom has plenty of space for a king size bed and furniture. The in-suite b...
